DEBTOR'S STIPULATED EMERGENCY
MOTION FOR INTERIM ORDER (1)
AUTHORIZING USE OF CASH
COLLATERAL; (2) AUTHORIZING GRANT
OF ADEQUATE PROTECTION; AND
(3) SETTING HEARING FOR FINAL
AUTHORITY TO USE CASH COLLATERAL

Expedited Hearing Requested

17 Ameriflex Engineering, LLC ("Debtor" or "Ameriflex"), moves the Court
18 pursuant to 11 U.S.C. § 363(c), Fed. R. Bankr. P. ("FRBP") 4001(b)(d), L.R. 4001-1(D), and
19 L.B.R. 9013-1(E) for the entry of an order (1) authorizing, on an interim basis, the Debtor's use
20 of cash collateral pursuant to a budget proposed by Ameriflex and submitted herewith; (2)
21 authorizing the Debtor to grant, on an interim basis, adequate protection in favor of Pacific
22 Diamond & Precious Metals, Inc. ("Pacific Diamond") on account of the Debtor's use of cash
23 collateral; and (3) after a final hearing held under FRBP 4001(b) and (d), entry of a final order
24 authorizing Debtor to use cash collateral during the pendency of its case. This motion is
25 supported by the files and records herein, the points and authorities below and the accompanying
26 Declaration of Phillip A. Cam in Support of First Day Motions (the "Cam Dec."). This motion

1 does not request any of the provisions set forth in LBF 541.5 (Guidelines Regarding Motions to
2 Use or to Obtain Credit).

3 **A. Jurisdiction and Venue**

4 This Court has jurisdiction over this matter pursuant to 28 USC §§ 157 and 1334.
5 Venue is proper pursuant to 28 USC §§ 1408 and 1409. This is a core proceeding pursuant to 28
6 USC § 157(b)(2). The statutory predicates for the relief requested herein are sections 105, 361,
7 362, and 363 of the Bankruptcy Code and Rules 4001 and 9014 of the Federal Rules of
8 Bankruptcy Procedure (the “Bankruptcy Rules”).

9 **B. Debtor and its Operations.**

10 Ameriflex commenced this case on March 22, 2017 ("Petition Date"), has
11 retained control over its assets, and continues to operate its business pursuant to 11 U.S.C.
12 §§ 1107 and 1108. No trustee or examiner has been appointed in this chapter 11 case, and no
13 committee has been appointed or designated.

14 Ameriflex is an Oregon limited liability company formed on March 20, 2008.
15 (Cam Dec., ¶2). It designs, engineers, and manufacturers a variety of sport and fishing boats and
16 related products. *Id.* at ¶ 3. Ameriflex does business as RH Boats and Fish-Rite Boats. *Id.*
17 Ameriflex employs 49 people in a wide range of professional positions including, but not limited
18 to, designers, fabricators, painters, riggers, upholsterers, office management and accounting,
19 sales and marketing. *Id.* It operates out of a large manufacturing facility located on Antelope
20 Road in White City, Oregon (approximately 120,238 square feet). *Id.* Shortly before the filing,
21 Ameriflex had approximately 50 boat orders. *Id.* Ameriflex has a strong relationship with a
22 network of top boat retailers/dealers located in Oregon, Washington, Alaska, California, and
23 Canada. (Cam Dec., ¶ 3). For example, Ameriflex’s products are currently sold at Cabela’s in
24 Washington and M&P Mercury in Vancouver, British Columbia (Canada’s largest boat dealer).
25 *Id.*

26 Ameriflex produces a unique product. *Id.* at ¶ 4. It designs all of its boats with

1 full length, reverse Chine technologies that provide a superior ride and performance over other
2 heavy gauge, all-welded boats in the marketplace. *Id.* The engineering and manufacturing
3 process utilized by Ameriflex is designed to produce among the strongest boat hulls available in
4 the market. *Id.* That proprietary process is referred to as Ameriflex’s “Stress Tech” engineering
5 build process. *Id.*

6 Ameriflex has two members: Cajon, Inc. (“Cajon”) and Pacific Diamond, each
7 with a 50% interest. (Cam Dec., ¶ 5). Ameriflex originally had two additional members –
8 AERS Inc. (“AERS”) and River Hawk Boats, Inc. (“River Hawk”). *Id.* When Ameriflex was
9 formed, it obtained the assets of then struggling River Hawk and assumed some of its liabilities.
10 *Id.* In December of 2008, AERS, released its membership interest in Ameriflex. *Id.* Several
11 years later, a dispute arose between the remaining three members. *Id.* On March 31, 2014, River
12 Hawk was expelled from Ameriflex. *Id.*

13 A further dispute arose regarding the value of the River Hawk’s equity interest in
14 Ameriflex. (Cam Dec., ¶ 6). The parties initiated an arbitration to determine the value of River
15 Hawk’s equity in Ameriflex as of the date of its disassociation. On or about February 25, 2017,
16 an arbitration award (the “Award”) was entered valuing River Hawk’s equity interest in
17 Ameriflex at \$1,500,000. *Id.*, ¶ 6, Ex. 1. More specifically, under the Award, Ameriflex must
18 pay Mike Zoller (president of River Hawk before its dissolution) (“Zoller”), \$1,500,000 accruing
19 9% interest in 36 equal monthly payments. *Id.*, Ex. 1, p. 13. (incorporating section 7.6 of
20 Ameriflex’s Operating Agreement). That obligation amounts to **monthly** payments of
21 approximately **\$47,700**, in addition to a supplemental cost award of \$11,245.69 in Zoller’s favor.
22 *Id.*, Ex. 1, p. 13, 15. Counsel for Zoller is in the process of obtaining a judgment in state court
23 confirming the Award.

24 A third-party creditor, SR, LLC (“SR”), intervened in the arbitration. As a result,
25 the arbitration panel made a determination regarding a sizable liability Ameriflex owes to SR.
26 *Id.*, Ex. 1, p. 13. As mentioned, Ameriflex assumed certain liabilities of River Hawk in 2008.

1 *See generally*, (Cam Dec., ¶ 7, Ex. 1, p. 7, ¶46 – p. 8, ¶52). Specifically, River Hawk borrowed
2 certain funds from Steve Rodgers, evidenced by a promissory note. *Id.* SR is the successor in
3 interest to Steve Rodgers. *Id.* Steve Rodgers and SR are hereinafter referred to as “SR” and the
4 aforementioned promissory note is referred to as the “SR Note”. After Ameriflex was formed, it
5 briefly made payments on the SR Note in 2009. *Id.* Some question arose regarding whether
6 Ameriflex actually assumed that liability. On June 24, 2015, SR obtained a judgment against
7 River Hawk (“SR Judgment”). *Id.* SR subsequently executed on that judgment and obtained
8 River Hawk’s interest in Ameriflex at an auction. *Id.*, Ex. 1, p. 8, ¶52. The arbitration panel
9 held that Ameriflex assumed the SR Note and was liable for the associated debt by virtue of an
10 indemnification claim obtained by SR by virtue of its execution sale. (Cam Dec., Ex. 1, p. 11,
11 ¶13.) As such, the arbitration panel granted SR a money award of \$179,823.20 plus interest
12 accruing after June 13, 2016 at the rate of nine percent per annum. *Id.*, Ex. 1, p. 13-14. SR is in
13 the process of petitioning to have the Award confirmed as a state court judgment (*Mike Zoller v.*
14 *Ameriflex Engineering LLC*, Circuit Court for the State of Oregon, County of Jackson, Case No.
15 17CV08976).

16 The Debtor lacks sufficient assets to continue operations, pay its creditors, and
17 satisfy the Awards entered in favor of Zoller and SR. Cam Dec. ¶ 8. Ameriflex commenced this
18 chapter 11 case to prevent any interruption to and protect its business while it reorganizes. *Id.*
19 The continuation of its business and the implementation of a reorganization plan is anticipated to
20 pay creditors a substantial return on their debts that will benefit all involved parties.

21 **C. Prepetition Relationship with Pacific Diamond.**

22 Pacific Diamond is an Oregon business corporation organized in 1986 – almost
23 two decades before the Debtor. *Id.* at ¶ 9. Pacific Diamond was founded as a precious metal
24 dealer and retail jewelry store, dba Pacific Diamond Jewelers. *Id.* Pacific Diamond also
25 developed an advertising business operating under the dba, Commonwealth Advertising. (Cam
26 Dec., ¶9.) Commonwealth Advertising assists other retail businesses in developing advertising

1 materials and ad campaigns, along with media placement. *Id.* In 2012, Pacific Diamond Jewelers
2 retail operations was sold and reduced its workforce from 12 to two full-time employees and
3 outsources other employees as needed on various production projects. *Id.* Pacific Diamond
4 currently operates Commonwealth Advertising and has a pared-down operation as a precious
5 metals and jewelry by order dealer.

6 In the years following its inception, Ameriflex was in need of funding to support
7 its cash flow needs, obtain equipment, and generally expand its business. *Id.* at ¶ 10. Ameriflex
8 made concerted efforts to obtain a line of credit and financing for specific projects from
9 traditional financial institutions. *Id.* Each time, Ameriflex ran into the same problem –
10 traditional financial institutions had issues with the credit of one of its members’ principals
11 (Zoller). (Cam Dec., ¶10) Once River Hawk was expelled, the remaining members could not
12 obtain traditional funding until the dispute over the value of River Hawk’s equity interest in the
13 company was resolved. *Id.*

14 On or about March 1, 2013, Ameriflex entered into a Promissory Note Line of
15 Credit and Security Agreement with Pacific Diamond (respectively, the “Line of Credit” and
16 “Security Agreement”). (Cam Dec., ¶11, Exhs. 2-3). Under the Line of Credit, Pacific Diamond
17 periodically provides Ameriflex with advances to fund operations. *Id.* The Debtor has
18 consistently used this line of credit since 2013, but the timing of its draws has been sporadic. *Id.*
19 Since 2013, Debtor’s balance on the Line of Credit has been as high as \$1.28 million and as low
20 as \$369,936. *Id.* As of the Petition Date, the principal balance under the Line of Credit was
21 approximately \$681,936. *Id.*

22 Pursuant to the Security Agreement and UCC-1 Financing Statement filed on
23 December 20, 2013, Pacific Diamond holds a perfected security interest and liens in Debtor’s
24 cash collateral including, but not limited to, the Debtor’s accounts receivable, cash, goods,
25 inventory, equipment, fixtures, general intangibles, instruments, chattel paper, and certain
26 intellectual property (the “Assets”), and all products, proceeds, rents and profits of the Assets

1 (the “Cash Collateral”). (Cam Dec., ¶12, Ex. 4. Pacific Diamond’s perfected lien secured the
2 parties’ existing obligations at the time of its execution, as well as future “liabilities, direct and
3 indirect, absolute or contingent” arising between Debtor and Pacific Diamond. *Id.* Section 363(a)
4 of the Bankruptcy Code defines “cash collateral” as cash, negotiable instruments, documents of
5 title, securities, deposit accounts, or other cash equivalents” including “proceeds, products,
6 offspring, rent, or profits of property...whether existing before or after the commencement of a
7 case under this title.”

8 Pacific Diamond is over secured. Ameriflex estimates the current aggregate value
9 of its inventory, equipment, and accounts receivables at approximately \$1,148,000, while the
10 balance on the Line of Credit is currently approximately \$681,936. (Cam Dec., ¶13.) However,
11 a substantial portion of that value is comprised of the Debtor’s accounts receivables
12 (approximately \$401,000). *Id.* Additionally, Pacific Diamond also has a perfected lien in
13 identifiable proceeds from its collateral currently held in Ameriflex’s cash account. See, e.g.,
14 ORS 79.0315.

15 Without the use of Pacific Diamond’s Cash Collateral, Debtor is without
16 sufficient funds to support its continuing operations. (Cam Dec., ¶14.) For example, Ameriflex
17 needs continued use of its accounts receivables (when paid) and deposit accounts to continue to
18 fund its working capital needs. *Id.* As will be discussed in greater detail in Debtor’s Motion for
19 Authority to Obtain Secured Credit on Interim and Final Basis (“Credit Motion”), it is imperative
20 that Ameriflex maintain good working relationships with its parts suppliers and vendors. It is
21 anticipated that some, and possibly all, of Ameriflex’s vendors will require cash on delivery
22 (“COD”) for supplies (*e.g.*, engine parts, manufacturing materials, etc.). *Id.* In order to continue
23 operations uninterrupted, Ameriflex must continue utilizing Pacific Diamond’s Cash Collateral.
24 *Id.* Additionally, access to a post-petition line of credit from Pacific Diamond is also necessary
25 to continue operations uninterrupted. *Id.* Ameriflex cannot obtain post-petition credit from a
26 traditional financial institution on terms competitive with those Pacific Diamond has offered. *Id.*

1 Absent authority to use Cash Collateral on an ongoing basis, Ameriflex would be
2 forced to cease all operations, terminate its 49 employees, and thereby lose the ability of its
3 operations to generate funds to repay creditors. Cam Dec., ¶ 15.

4 **D. Discussion – Use of Cash Collateral and Adequate Protection.**

5 Ameriflex requests authority to use Pacific Diamond’s Cash Collateral to pay its
6 operating expenses pursuant to Bankruptcy Code sections 363(c)(1) and (2) in accordance with
7 the attached budget and proposed order attached hereto as Exhibit A (respectively “Budget” and
8 “Proposed Order”). See also, Cam Dec., Ex. 5 Section 363(c) of the Bankruptcy Code provides
9 that the “trustee may not use, sell or lease cash collateral under paragraph (1) of this subsection
10 unless,

- 11 (A) each entity that has an interest in such cash
12 collateral consents; or
13 (B) the court, after notice and a hearing, authorizes such
14 use, sale, or lease in accordance with the provisions
15 of this section.

16 *See also*, 11 USC 363(d)(2) (providing that a trustee “may use, sell, or lease
17 property under subsection (b) or (c) of this section... only to the extent not inconsistent with any
18 relief granted under subsection (c), (d), (e), or (f) of section 362.”); 11 U.S.C. § 361(2) (stating
19 that adequate protection “may be provided by an additional or replacement lien to the extent such
20 stay, use, sale, lease or grant results in a decrease in the value of such entity’s interest in such
21 property.”) 11 USC § 361(2).

22 Here, Pacific Diamond consents to Ameriflex’s use of Cash Collateral in
23 exchange for a replacement lien. To provide adequate protection for Ameriflex’s use of Pacific
24 Diamond’s Cash Collateral, Pacific Diamond should be granted a replacement security interest in
25 and lien upon all of Debtor’s post-petition assets that are of the same category, type, kind,
26 character and description as were subject to Pacific Diamond’s perfected and valid security
interests in existence on the Petition Date with the same relative priority as any valid and

1 unavoidable lien held by Pacific Diamond as of the Petition Date.

2 No other creditor has a perfected lien in the above-referenced assets that will be
3 adversely affected by the replacement lien. The Bank of the Cascades (“BOTC”) has a perfected
4 purchase money security interest in a custom paint booth. (Cam Dec., ¶ 17.) BOTC’s security
5 interest in that collateral has priority over that of Pacific Diamond’s. *Id.* On December 20,
6 2013, Ameriflex executed a security agreement in favor of its landlord, Camco, LLC, to secure a
7 deficiency on back rent. (Cam Dec., ¶ 18.) However, that deficiency was subsequently cured.
8 *Id.* Subsequently, Ameriflex entered into several leases for equipment from CamCo for
9 approximately \$1,600 per month (“CamCo Leases”). *Id.* Payment of that lease obligation is
10 secured by the same blanket security agreement. *Id.* Ameriflex intends to assume the CamCo
11 Leases. As stated above, the replacement security interest would continue in the same relative
12 priority and validity as Pacific Diamond’s pre-bankruptcy filing.

13 Lastly, the other creditor UCC filings on record for the Debtor do not secure pre-
14 petition debts. Even if they were, their priority would not be altered by the adequate protection
15 replacement lien proposed. Wells Fargo Commercial Distribution Finance, LLC (“Wells
16 Fargo”) has a prior, perfected blanket security interest in Ameriflex’s assets. *Id.* That lien was
17 perfected by a UCC financing statement filed on July 6, 2011. *Id.*, Ex. 6. Wells Fargo is the
18 credit facilitator for Yamaha motor purchases through Ameriflex by its dealers (“WF Financing
19 Arrangement”). The aforementioned UCC financing statement is intended to secure performance
20 of the WF Financing Arrangement. *Id.*, ¶17. As of the Petition Date, the WF Financing
21 Arrangement has a zero balance. *Id.* Therefore, Wells Fargo has no interest in the Debtor’s Cash
22 Collateral. On or about August 30, 2012, Ameriflex obtained a loan from Rogue Federal Credit
23 Union to finance the purchase of a GMC 5500 flatbed truck. *Id.* To secure that loan, Rogue
24 filed a UCC financing statement to perfect a blanket security interest in the Debtor’s assets. *Id.*
25 The Debtor satisfied that loan in 2016 and recently delivered a UCC termination statement to
26 Rogue for it to execute and file. *Id.*

1 The Debtor requires the immediate use of the Cash Collateral, to minimize
2 disruption to and avoid termination of its operations, and thereby avoid immediate and
3 irreparable harm to its business pending a final hearing pursuant to Bankruptcy Rule 4001(D)(2).
4 *Id.* at ¶ 19. Allowing Ameriflex to continue using Pacific Diamond's Cash Collateral on a
5 temporary basis will preserve the going concern value of the business and is in the best interest
6 of Debtor's estate. Approval of long term use of Cash Collateral after a final hearing will serve
7 the same exact purpose and will allow Ameriflex to reorganize to the benefit of its creditors.
8 Conversely, if Ameriflex is forced to cease operations and liquidate the return to creditors will be
9 extremely limited.

10 The proposed use of Cash Collateral with the adequate protection proposed for
11 Pacific Diamond, allows the parties to maintain the status quo pending the Debtor's presentation
12 of a plan of reorganization.

13 **E. Conclusion.**

14 Based upon the foregoing, the Debtor respectfully requests entry of an order (1)
15 authorizing Ameriflex's use of Cash Collateral pursuant to the budget attached hereto as Exhibit
16 A; (2) granting a replacement security interest and replacement lien the Debtor's assets in favor
17 of Pacific Diamond; and (3) setting a final hearing.

18 Dated: March 22, 2017.

Case No. 17-60837-tmr11

[PROPOSED] ORDER AUTHORIZING
DEBTOR'S INTERIM USE OF CASH
COLLATERAL AND GRANTING
ADEQUATE PROTECTION

14 This matter came before the Court upon Debtor's Stipulated Emergency Motion
15 for Interim Order (1) Authorizing Use of Cash Collateral; (2) Authorizing Grant of Adequate
16 Protection; and (3) Setting Hearing for Final Authority to Use Cash Collateral (the "Motion").
17 The court having considered the Motion, arguments of counsel, files and records herein, and
18 being fully advised of the premises; now, therefore,

19 The Court finds as follows:

20 A. On March 22, 2017 (the "Petition Date"), Debtor filed a voluntary petition
21 for relief under Chapter 11 of the United States Bankruptcy Code (the "Code"). No trustee has
22 been requested or appointed. Debtor is currently operating its business and managing its
23 property as a debtor-in-possession under Sections 1107 and 1108 of the Code.

24 B. The Court has jurisdiction over this case under 28 U.S.C. §§ 157 and
25 1334. Venue of this case is properly in this District under 28 U.S.C. §§ 1408 and 1409. This
26 matter is a core proceeding under 28 U.S.C. §157(b), 11 U.S.C. §§ 105(a) and 363 of the Code,

1 FRBP 4001 and LBR 4001-1.D.

2 C. Ameriflex is an Oregon limited liability company formed on March 20,
3 2008. It designs, engineers, and manufacturers a variety of sport and fishing boats and related
4 products. Ameriflex does business as RH Boats and Fish-Rite Boats. Ameriflex employs 49
5 individuals in a wide range of professional positions including, but not limited to, designers,
6 fabricators, painters, riggers, upholsterers, office management and accounting, sales and
7 marketing. It designs all of its boats with full length, reverse Chine technologies that provide a
8 superior ride and performance over other heavy gauge, all-welded boats in the marketplace.
9 Ameriflex has a strong relationship with a network of top boat retailers/dealers located in
10 Oregon, Washington, Alaska, California, and Canada that sell its products.

11 D. Debtor and Pacific Diamond & Precious Metals, Inc. ("Pacific Diamond")
12 entered into a certain Promissory Note Line of Credit and Security Agreement (respectively,
13 "Line of Credit" and "Security Agreement"). By virtue of the Security Agreement and UCC-1
14 Financing Statement filed on December 20, 2013, Pacific Diamond holds a security interest and
15 lien in Debtor's assets including, but not limited to, the Debtor's accounts receivable, cash,
16 goods, inventory, equipment, fixtures, general intangibles, instruments, chattel paper, and certain
17 intellectual property (the "Assets"), and all products, proceeds, rents and profits of the Assets
18 (collectively, the "Cash Collateral"). The Cash Collateral meets the definition of "cash
19 collateral" set out in 11 USC § 363(a).

20 E. The Debtor needs to use Pacific Diamond's Cash Collateral to assure the
21 continued operation of its business. Without the use of Cash Collateral, Debtor will be unable to
22 meet its current working capital needs; retain the employees necessary to conduct its business;
23 purchase sufficient materials, parts, goods and services needed for operations; meet customer
24 obligations; and attract business.

25 F. Debtor has prepared a budget (the "Budget"), a copy of which is attached
26 hereto as Exhibit A, which sets forth its estimated cash needs for the period from March 22, 2017

1 to June 30, 2017 (the "Budget Period").

2 G. Debtor will suffer immediate and irreparable harm if it is not permitted to
3 use Cash Collateral on an interim basis, consistent with the Budget, to meet its necessary and
4 ordinary course post-petition operating expenses prior to the time prescribed by FRBP
5 4001(b)(2) for a final hearing for authority to use Cash Collateral.

6 H. This Order does not contain any of the "discouraged provisions" listed in
7 LBF #541.5,

8 I. Allowing the Debtor to use Pacific Diamond's Cash Collateral in the
9 amounts and for the purposes detailed in the Budget until a final hearing on use of Cash
10 Collateral ("Final Hearing") is reasonable.

11 NOW, THEREFORE, it is ORDERED as follows:

12 A. Authorization for Use of Cash Collateral.

13 1. Debtor is authorized to use Cash Collateral for the purposes specified in
14 the Budget through the date of the Final Hearing in accordance with the provisions of this Order.

15 2. Debtor's authority to use the Cash Collateral is limited to the cumulative
16 amounts set forth in the Budget; provided, however, that Debtor's total expenditures may exceed
17 the aggregated budget by up to 15%.

18 B. Adequate Protection – 11 USC §§ 361(2), 363(c)(1) - (2).

19 1. Pacific Diamond is hereby granted a replacement security interest and lien
20 upon all property acquired by the Debtor after the Petition Date of the same type, kind, character
21 and description as the property in which Pacific Diamond held a lien or security interest on the
22 Petition Date, with the same validity and priority and to the same extent that Pacific Diamond
23 had valid, enforceable liens and security interests prior to the Petition Date (the "Replacement
24 Liens"). The Replacement Liens shall secure Pacific Diamond to the extent necessary to
25 adequately protect Pacific Diamond from any diminution in value of its interests in property of
26 the Debtor's estate as a result of the use of the Cash Collateral authorized by this Order. Nothing

1 in this Order shall not be construed to enhance or improve the position of Pacific Diamond or its
2 interest in property of the Debtor as of the petition date.

3 2. This Order shall be deemed to constitute a security agreement under the
4 applicable provisions of the Uniform Commercial Code ("UCC") in effect in states where the
5 Debtor (a) is domiciled, (b) operates its business, and (c) maintains its principal place of
6 business. The liens and security interests granted by this Order are perfected by operation of law
7 upon entry of this Order by the Court and by the pre-petition recording of a UCC-1 Financing
8 Statement by Pacific Diamond. Pacific Diamond shall not be required to file any additional
9 financing statements or take any other action to perfect the Replacement Liens beyond what it
10 already filed pre-petition.

11 3. Nothing contained in this Order shall constitute a determination as to the
12 amount, validity or priority of any obligation, security interest or lien. The rights of all parties in
13 interest (including the Debtor) to claim that a lien or security interest in Debtor's property is
14 unperfected, unenforceable, invalid or voidable, is reserved. Furthermore, nothing in this Order
15 shall be construed to convert any pre-petition obligations into post-petition obligations or require
16 payment of any obligations on confirmation of a plan of reorganization.

17 C. Effectiveness.

18 1. This Order shall be effective retroactive to the Petition Date.

19 2. Unless earlier terminated or extended by further Court order, the Debtor's
20 authorization to use Cash Collateral pursuant to this Order shall expire on the close of business
21 on the date set for the Final Hearing; provided, however, that all rights and interests created or
22 preserved hereunder shall survive such termination.

24 ///

25 ///

26 D. Final Hearing.

1. A hearing on Debtor's motion for final authority to use cash collateral shall be held in Courtroom #5 of the United States Bankruptcy Court for the District of Oregon, 405 E 8th Ave #2600 Eugene, OR 97401, on March __, 2017, at _____, or as soon thereafter as counsel may be heard.
